

L^AT_EX Tutorial

Presented by the Brown SIAM Student Chapter

What is LaTeX?

LaTeX is a typesetting system for creating high-quality scientific documents including

- ✓ Final Projects
- ✓ Homework assignments
- ✓ Theses

Thursday, Feb. 25
5 - 6:30 p.m.
CIT 201

Join us for an introduction to creating basic, math-related LaTeX documents!

No experience necessary!

A limited number of computers with LaTeX installed will be available, but we encourage you to bring your own!

Then, stay after for information on downloading the software!
